LUCIENNE VAN DER MIJLE

LE DÉCO, Shibuya3-16-3, Shibuya-ku, 150-0002 Tokyo, Japan

April 6th - April 18th 2010

The exhibition **FADING BORDERS** is opening on April 6th at gallery LE DÉCO in Tokyo. Photographer LUCIENNE VAN DER MIJLE provides the visitor an intimate view on how these two worlds have melted together.

The exhibition **FADING BORDERS** consists of a series of double portraits of Japanese/Dutch couples who live and work in the Netherlands and Dutch/Japanese couples who live and work in Japan. Pre-eminently difference of culture is the link between the mixed couples. An apparent contrast creates fascination and inspiration.

This exhibition is supported by The Netherlands Embassy in Japan
